📍 Lagos, Nigeria

SUMMARY

I am a self-motivated programmer who likes to solve problems creatively, bringing my ideas and that of others to life. I merge a passion for usability and user experience with technical knowledge to create cool digital experience. In the past 6 months, i have created 8 Django Web Apps and other awesome projects through my combined technical skills with people skill i gathered in my last role

EXPERIENCE

E-commerce Web App (100 Hours)

🌐 <https://ayoyimika-ecommerce.herokuapp.com/>

- Design easy user interfaces for great user experiences for the digital platforms using Bootstrap.
- Users can login to order product with order summary and checkout functionality data secure with Django CSRF token, AUTH and more.
- Users can make payments through STRIPE API Integrated through external services, delivery, refunds etc .
- Order Tracker functionality and integration with Heroku
